LEADERSHIP FOR THE BOILER INDUSTRY

# Promote your company through ABMA!

**ABMA is the leading community for the boiler industry.**

**We Advocate.** ABMA is the regulatory voice for the boiler industry in Washington and influences national code development for the boiler industry.

**We Connect.** ABMA brings together industry leaders to foster innovation in today's boiler community.

**We Advance.** ABMA raises awareness of the boiler industry for all stakeholders: member companies, workers, and end-users.

## ABMA Audience and Network

Our member reach includes commercial, institutional, industrial, utility-type boiler & combustion equipment manufacturers, industry suppliers, and consultants.

In addition, ABMA focuses some of its outreach to those working with boilers including regulators, code compliance personnel, boiler inspectors, consultants, maintenance personnel, technicians, engineers, installers, other suppliers, and end-users.

## Why advertise with us?

Advertising with ABMA gives your company premium exposure to the top leaders, influencers, and decision makers in the boiler industry!

**The relationship between ABMA, our members, partners, and other stakeholders continues to expand and influence the boiler industry. As a result, we have evolved into additional communications channels, which provides valuable advertising opportunities for our members and partners.**

Gain greater corporate and product visibility within the industry and beyond.

Stand out as a leader in the boiler industry with the many new advertising opportunities offered through our 2023/24 Media Kit.

## ABMA Buyers Guide of Member Products and Services (Print and Online Edition)

The Buyers Guide is a valued resource for qualified and professional buyers to find the leading companies to address their needs in the boiler industry.

Showcase your products and services through our available advertising options. Enhance your company's corporate and product visibility to gain attention and recognition to prospective customers for promoting your brand.

In 2018, we expanded the reach of the print Buyers Guide by adding the [online Buyers Guide](https://www.abma.com/buyersguide) (ABMA.com/buyersguide), a real-time searchable online directory. The format of the 2024 print Buyers Guide aligns with our online Buyers Guide platform, which includes the company's address, phone number, website, a short company description, contact name, and email address. The product categories match those listed in the online guide and are listed in the back index of the printed guide. The print Buyers Guide is distributed at the ABMA's Boiler Expo, ABMA's Annual and Summer Meetings, AHR Expo, Biomass Conference, through *Today's Boiler* print magazine mailing list, and our Buyers Guide mailing list.

The online Buyers Guide is an enhanced opportunity to offer BUYERS a more comprehensive way to research, find, and contact ABMA members.

### Features include:

- Expanded searching for BUYERS to find your company faster
- Links to your company website and social media pages
- Featured company news and products that are connected to our *Boiler Weekly* E-Newsletter and Newsfeed
- Additional advertising opportunities for YOU to stand out and promote your company to prospective customers

**Advertise in our Buyers Guide today for new exposure to sell your company's product and services!**

## THE DETAILS

### Buyers Guide Opportunities

#### Print Guide

Advertising in the print Buyers Guide includes splash ads and full page color ads of varying prices with premium placements including center fold, inside front and back covers, and random ads.

A splash ad is a low-cost way to make a positive impact by capturing the buyer's attention to your company's listing and quickly getting your message in front of them. Splash ads are located above the company's listing and make a great addition to a full page Buyers Guide ad. **Buyers Guide Package advertisers receive a \$100 discount on splash ads. A limited number of splash ads are available. First come, first served.**

Standard listings are free. All print Buyers Guide advertisers receive a bold, featured listing. Complimentary company logo and ad page call out will be displayed for full page advertisers.

**The advertising deadline for the 2024 print edition is October 12, 2023.**

#### Online Guide

The online Buyers Guide offers two different ad sizes and ad locations.

**Banner Ads** – These two ads are located strategically above the search box within the online Buyers Guide and at the bottom of the page, making them prime positions to provide prominent exposure for your company. As an added value, the home page header and footer also appear as the header and footer on the individual company profile listing pages.

**Rectangle Ads** – This top advertising location is in the upper right-hand column of the online buyers guide home page. In addition, this same placement is available on all the category pages of the online Buyer Guide.

The mockup shows a print Buyers Guide page with several ad placements. At the top right, there's a section for 'ABMA Membership List' featuring 'CORMETECH, Inc.' with contact information for Nancy Stephenson. Below this is a 'Standard listing' for 'CORMETECH, Inc.' with a placeholder for a company presentation paragraph. To the left, there's a 'Full page advertiser listing' for 'Detroit Stoker Company' with contact information and a placeholder for a company presentation paragraph. At the bottom left, there's a 'Banner Ad' for 'CORMETECH, Inc.' with a placeholder for a company presentation paragraph. At the bottom right, there's a 'Banner Ad' for 'Detroit Stoker Company' with a placeholder for a company presentation paragraph. A large orange box in the center says 'YOUR HEADER SPLASH AD HERE!'.

Online Buyers Guide Home Page

**Prominently display your company's logo and tagline, while standing out as a leading company in the boiler industry!**

**Be the first listing by advertising in the header and footer.**

Promotion opportunities in the online Buyers Guide include:

- **Header and Footer Banner**
- **Rectangle Ad – Home Page**
- **Rectangle Ad – Individual Category Pages**
- **Featured Product**  
Showcase your Product! Featured Product appears on the *Boiler Weekly* Newsfeed home page, alphabetical company listing pages, and all category pages.

Category Page ads can be applied to three category pages. All Category Page Header and Footer advertisers receive premium placement as first company listing on up to three category pages.

**Take advantage of Package Opportunities to bundle & save!**

**All print and online Buyers Guide advertisers will receive priority listing in the online Buyers Guide.**

Online Buyers Guide Category Page

**Featured Product**

**"ABMA has been an integral part of connecting Miura America with other boiler manufacturers, vendors and associates alike. The relationships we have built, and advertisement opportunities have been some of our best investments. I greatly appreciate everything that ABMA does to contribute to the progression of the American Boiler community."**

**Ed Verderose**, *National Account Manager, Miura America Company*

## Passport Book

Distributed at the AHR Expo, the **Passport to the Boiler Industry** provides attendees with an organized guide that shows our ABMA member companies that are exhibiting at the trade show and includes advertising from our members to promote the boiler industry's presence at the show.

Advertising in the Passport enables our member companies to stand out from the rest and guides potential customers to your booth.

## THE DETAILS

The Passport Book includes full color ads of various pricing with premium placements including center fold, inside front and back covers, and random ads.

## Boiler Weekly

In 2018, ABMA launched **Boiler Weekly**, a one-of-a-kind digital news resource on everything happening in the boiler industry. ABMA now provides the latest,

up-to-the-minute information and stories from leading industry magazines, blogs, ABMA members, and industry leaders, organized into one convenient location.

The Online Buyers Guide and Boiler Weekly Newsfeed are one shared digital platform, making it a digital hub for the boiler industry.

ABMA member news and content is regularly aggregated and announced through our [Boiler Weekly Newsfeed](https://www.abma.com/news) (ABMA.com/news) and E-Newsletter as a free benefit to our members. Make sure your company is taking advantage of this promotional opportunity to reach thousands of boiler industry readers at no cost!

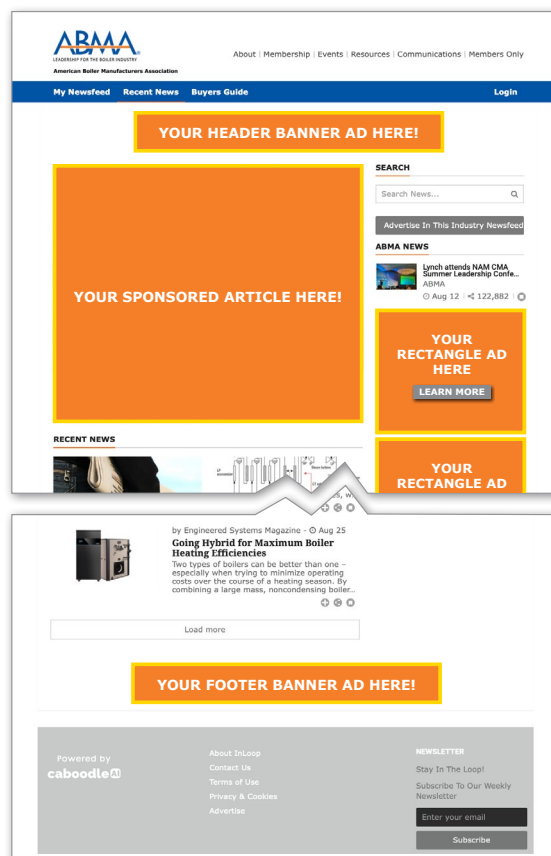

*Boiler Weekly* offers your company premier online advertising opportunities with compelling value for constant exposure to a qualified audience.

The **Boiler Weekly Newsfeed** is the most comprehensive boiler industry news resource available with a continuous transmission of aggregated web content highlighting information, stories, and updates. Subscribers to the Newsfeed receive summaries with links that refer the reader back to the original news source.

## THE DETAILS

Promotion opportunities in *Boiler Weekly Newsfeed* include:

- Header and Footer Banner**  
 Header Banner offers premium position that guarantees all readers will see your ad when they visit the page. Footer Banner is located at the bottom of the page and provides additional exposure for your company.
- Rectangle Ads**  
 Rectangle Ads are top advertising spaces in the upper right-hand column of the page and provides your company with a highly visible and noticeable placement to promote your brand.
- Sponsored Articles**  
 Sponsored Articles allow companies to combine imagery, color and text in an intersecting and compelling manner to grab the reader's attention. Feature an article, product launch, press release, white paper, or compelling company news for heightened reach in the boiler industry and visibility in the *Boiler Weekly* E-Newsletter. Available in two-week and four-week options.

Boiler Weekly Newsfeed Home Page

Boiler Weekly Sponsored Article Page

The **Boiler Weekly E-Newsletter** is a publication emailed to subscribers that serves as a year-round resource for members and end-users who want to stay up to date with the latest stories on manufacturing and the boiler industry on a weekly basis. It's vast news coverage, rich content, and ease of use makes *Boiler Weekly* the prime, trustworthy destination for all industry professionals.

## THE DETAILS

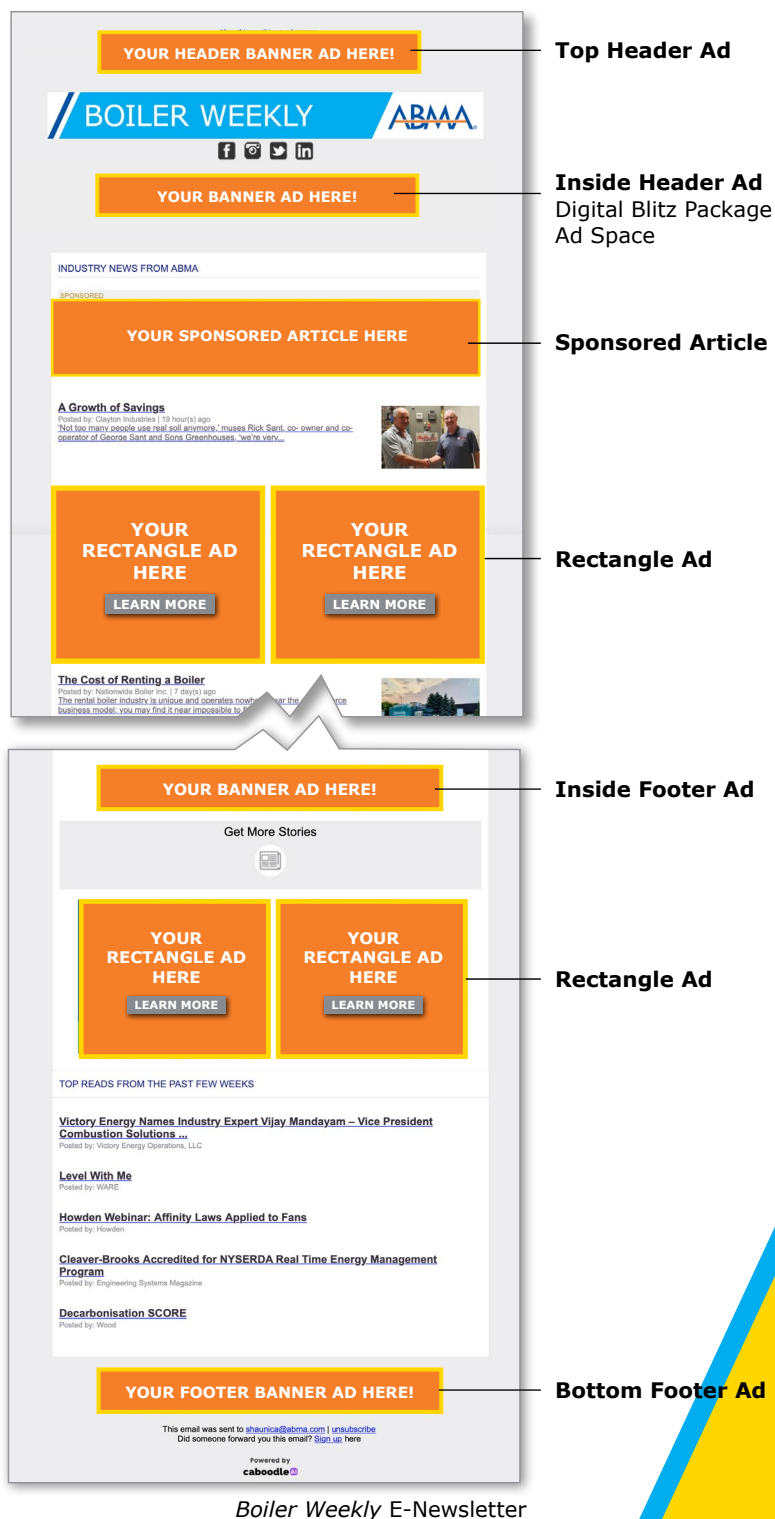

Opportunities include Top Header and Footer Banner, Inside Header and Footer Banner, two Rectangle Ads, and Sponsored Articles.

- **Top Header/Bottom Footer Set**

Top Header Banner offers premium position and first advertisement to be seen on the newsletter. Located at the top of the E-Newsletter above the masthead. Bottom Footer Banner is located at the very bottom of the page and provides additional exposure for your company.\*

- **Inside Header/Footer Set**

Inside Header Banner is a premium position located below the masthead and above the first article, guarantees all readers will see your ad when they open the newsletter. Inside Header is used for the *Digital Blitz Package*. Inside Footer Banner is located below the last article of the E-Newsletter.\*

\*Advertisers can provide two different ads for the Header and Footer to diversify their messaging.

- **Rectangle Ads**

Rectangle Ads are versatile squares that can be used for branding or product promotion and are positioned positioned at various locations within the middle of the newsletter.

- **Sponsored Articles**

Sponsored Articles allow companies to combine imagery, color and text in an intersecting and compelling manner to grab the reader's attention. Feature an article, product launch, press release, white paper, or compelling company news for heightened reach in the boiler industry and visibility in the *Boiler Weekly* E-Newsletter. *Available in two-week and four-week options.*

## Inside the Boiler Room Podcast

Launched in June 2018, ABMA's **Inside the Boiler Room**, is a podcast focused on addressing issues impacting the global boiler industry and raising industry awareness with end-users of our products.

We average more than 600 downloads of each episode. Our audience includes anyone connected with boilers with an emphasis on educating those who purchase, install, operate and repair boilers.

Our podcast is released monthly and features interviews with prominent leaders in the boiler community and promoted on ABMA.com home page, on our podcast webpage, in *Boiler Weekly*, and on our social media platforms.

ABMA will promote your company directly to our audience and offer links to your company in the show notes. Advertisers are promoted during one episode and their logo is displayed on our podcast webpage.
