## **FOR IMMEDIATE RELEASE**

# **ABMA ANNOUNCES ENHANCED EDUCATIONAL PROGRAM FOR 2026 BOILER EXPO**

*Get Ready to Ignite Your Knowledge at the 2026 ABMA BOILER Expo in  
Nashville!*

**Vienna, VA – August 20, 2025** – The American Boiler Manufacturers Association (ABMA) is pleased to unveil an exciting and revitalized educational focus for the 2026 BOILER Expo, taking place at the iconic Gaylord Opryland in Nashville, TN. This highly anticipated event will expand our educational offerings from previous expos and feature over 20 breakout sessions across four key educational tracks. In addition, next year's event will feature new hands-on boiler training opportunities, and expanded pre-conference workshops, ensuring an enriching experience for all attendees.

As the premier industry event dedicated exclusively to the entire boiler supply chain, the ABMA BOILER Expo serves as a vital platform for networking, learning, and discovering the latest innovations in boiler technology. Scott Lynch, ABMA President & CEO, states, "In collaboration with the BOILER Expo Advisory Committee, we are meticulously curating a lineup of high-impact content that meets the pressing needs of end-users, engineers, consultants, operators, and boiler professionals."

### **Four Key Educational Tracks:**

1. **Fundamentals & Essentials:** Attendees will gain crucial insights into boiler selection, effective operation, proper maintenance, and strategies to maximize efficiency. This foundational knowledge is designed for both newcomers and seasoned professionals looking to hone their skills.
2. **Safety & Compliance:** Ensuring the highest level of boiler safety is paramount. Participants will delve into effective project readiness, understanding the significance of boiler safety, and staying compliant with ever-evolving codes and regulations that govern the industry.
3. **Technology & Innovation:** The industry is evolving rapidly, and our sessions will cover the latest advancements in boiler technology. Learn how innovative solutions are being developed to meet and exceed customer needs, helping to foster a more efficient and sustainable boiler room environment.
4. **Emerging Trends & What's Next:** Explore how the boiler industry is shaping its future through hybrid systems and alternative fuel sources. Attendees will be introduced to new trends that are redefining the boiler landscape and paving the way for tomorrow's boiler room.

Additional Event Highlights include:

- Two Pre-Conference Workshops
- Ten Dedicated Expo Hours
- Over 100 of the Top Boiler Industry Companies Exhibiting
- NEW Expo Hall Interactive Hub
- Mobile Equipment Pavilion
- NEW Hands-on Boiler Training & Tours in the Gaylord's Boiler Room
- And Much More!

Join us this spring as we expect over 1,500 attendees for an unparalleled experience at the sole expo tailored for everyone in the boiler industry. **MARK YOUR CALENDARS!** General Registration opens in Fall 2025, providing a prime opportunity to be part of this memorable gathering in Nashville's vibrant music scene.

"As we gear up for the 2026 ABMA BOILER Expo, I invite everyone to come together to enhance our knowledge and experience the innovation in our industry. The exciting enhancements to our educational program promise to deliver invaluable insights and foster collaboration. We are looking forward to the opportunity to elevate boiler expertise and propel the boiler industry forward!" — Dustin Divinia, President of Vector Systems & Chair of the BOILER Expo Advisory Committee

### **About ABMA**

Since our founding in 1888, the American Boiler Manufacturers Association (ABMA) has advocated for the safe production and operation of boilers, facilitated advances in energy efficiency, and provided solutions for our member companies. Throughout our history, the boiler industry and our member base have relied on the ABMA to lead the industry as it tackles challenges and embraces opportunities in our constantly evolving sector. Through participation with ABMA, our members are better informed, connected, and positioned to thrive in today's global boiler industry. To learn more, please visit [ABMA.com](https://www.abma.com).
