

2021 RANDY RAWSON SCHOLARSHIP APPLICATION

The American Boiler Manufacturers Association (ABMA) Scholarship Fund to Promote Technical Careers in the Boiler Industry

QUALIFICATIONS: To be eligible, an applicant must be accepted to or attending an accredited post-secondary college/university, or similarly accredited community college, vocational, trade or technical school. An applicant must have a focus in engineering or other technical programs such as welding or CAD design. **Non-technical and graduate students are not eligible.** For questions about eligibility, please contact ABMA before submitting application.

In addition, an applicant must have a desire to pursue a career in the boiler industry and be a relative of an employee or sponsored by an ABMA member company.

INSTRUCTIONS: If you meet the qualifications above, please submit the completed form below with required documentation by **April 16, 2021** as a PDF packet via email. Please contact Scott Lynch at 703-356-7172 or scott@abma.com with questions.
